

Environmental Safety and Health (ESH) Procedure

Steps to Take Following a Work-Related Injury or Illness

For Employees (including student employees injured on the job):

1. Report your injury to your supervisor as soon as possible.
2. Seek treatment for your injury if needed. **If it is a medical emergency, call or have someone else call 911 or Campus Police at 5-5555.**

You may seek medical treatment for your injury at a care provider of your choosing, however the following are nearby providers you may wish to utilize:

Open 8:30 AM to 5 PM Monday through Friday
Phone: 410-455-2542
After Hours: 410-455-3230
3. Complete an [Employee's Report of Work-Related Injury Form](#), even if the injury is minor or you did not need to seek medical treatment. If you need a paper form, notify ESH at 5-2918.

For Supervisors:

1. Provide any necessary immediate assistance to the injured employee.
2. Complete a [Supervisor's Report of Work-Related Injury Form](#).

3. Confirm if there were any witnesses to the incident and have any witnesses complete an [Accident Witness Statement](#).

All incident forms are available in paper form and can be requested from ESH at 5-2918. Paper forms should be scanned and emailed to esh@umbc.edu or faxed to ESH at 410-455-1166.
